## McClarin Plastics' Kennedy honored

Congratulations to Todd Kennedy, owner of thermoformer [McClarin Plastics Inc.](#) in Hanover, Pa., who was named Entrepreneur of the Year by the [Hanover Area Chamber of Commerce](#).

The *Evening Sun* newspaper in Hanover mentioned the award in a [story](#) today, noting that Kennedy has led McClarin Plastics since 1983, and that the company has participated in workforce development programs offered by the chamber.

It's nice to see small- and mid-sized processors like [McClarin Plastics](#) recognized in their local communities. Best wishes to Kennedy and his company.
